Must be able to talk and hear at conversational levels. Specific vision abilities required by this job include close vision, peripheral vision, and ability to adjust focus.

III. OBJECTIVES:

To implement and support Cooperative information systems.

IV. RESPONSIBILITIES:

- A. Perform duties in a safe, satisfactory, competent and timely manner.
- B. Provide operational, strategic and integration support for Cooperative applications. Support includes, but is not limited to system selection and installation, documenting system support procedures, testing and troubleshooting applications and platforms, implementing or facilitating system upgrades, updating system parameters as required, and assisting in developing and testing a business continuity plan.
- C. Identify ways to improve efficiency and productivity through application development and

scripting.

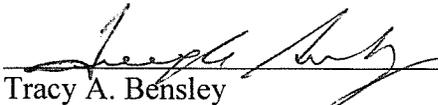

- D. Working with internal stakeholders to determine requirements. Collaborate with other developers to implement larger projects. Develop database schemas as required to support application development.
- E. Promote positive relationships with Members and end-users.
- F. Perform other tasks as assigned or requested.

V. RELATIONSHIPS:

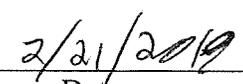

- A. Reports to: Manager of Information Technology
- B. Directs: None
- C. Coordinates or cooperates with:
 - 1. Cooperative Employees: Maintain the best possible working relationships.
 - 2. Members and General Public: Maintain and promote the safety and good will of the Cooperative.

V. AUTHORITY AND ACCOUNTABILITY:

- A. The Application Support Specialist is responsible to the Manager of Information Technology or his/her designee to perform the responsibilities within the scope of this position, as required.
- B. The Application Support Specialist shall be accountable to the Manager of Information Technology or his/her designee for the efficient performance of these duties.
- C. The Application Support Specialist shall secure approval of the Manager of Information Technology or his/her designee in making decisions when policies are unclear, inadequate or require interpretation.

Tracy A. Bensley
General Manager
