Why should Talquin Members vote at our Annual Meeting?

Some might say what is the use – my vote doesn't count; the candidate I want to win, won't; they already know who is going to win; or it is going to take too much time out of my day. Others have just become complacent.

Is voting an act of futility?

Carrie Durden
 Board President

Tracy Bensley
 General Manager

Despite the many thoughts that go through someone's head when it is time to vote, we hope you will remember the truth about voting. We have an obligation to our society and to ourselves to vote, and it is one of our most valuable privileges. Voting is what has made both America and our Cooperative what they are today.

Yes, Members have the right not to vote. However, the act is not just about supporting particular candidates or by-laws in a specific election. Voting is about promoting ideas and is an inherent element of every form of democracy.

The will of our Members is expressed by their votes at our Annual Meeting – a compelling and essential factor in the success of your Cooperative. While votes in other local and national elections may seem to be a grain of sand on the beach, Cooperative votes are more like rocks in a bucket.

Our elections can be won or lost by a small number of votes, and every Member has the opportunity to voice an opinion. In the Cooperative's elections, one vote could possibly decide an issue or which Trustee is elected. Our Members should be excited to vote and decide the direction of Talquin!

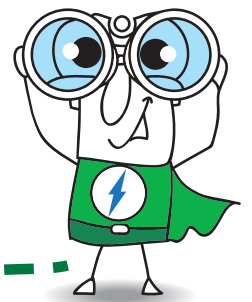

Casting votes as a Member in our Cooperative is incredibly important. Talquin's elections have a significant impact on the direction of the Cooperative. Not only do our Members decide the leadership of the Cooperative, but they also approve the by-laws that form the basic operating structure of the organization.

Here is a reality check: Over 75 years ago, Talquin Members decided that a consistent influx of new ideas was necessary to sustain a growing experiment in democracy. As we approach the Annual Meeting of our Members this year, you are the deciders, and you are voting for the future direction of your Cooperative.

The opportunity to make real and immediate impacts to the Cooperative only comes around once each year for our Members. Please join us on April 29 to exercise your right to vote and help decide the direction of your Cooperative!

Be on the lookout!

Information about our Annual Meeting registration and proposed By-law changes is coming soon - look for them in your mailbox or view them on our website.

Board of Trustee Candidates

Per the by-laws of the Cooperative, each Member shall be entitled to only one vote per District – for a total of three votes. Joint Memberships are allowed only one vote per district, whether separately or jointly. Only persons who are Members of the Cooperative are allowed to vote. They will visit historic landmarks and continue to learn about cooperatives and government during the tour.

Talquin would also like to congratulate Joshua Daughtry, Kiara Huls, and Savannah Poplin, Leon High School; Duncan Hosford and Vontris Pierre, Liberty County High School; Kyle Karpinski, Maclay School; Laiken Kinsey, North Florida Christian; Trinesiah Sapp, East Gadsden High School; Jonathan Litteral, Leon County Homeschool and Phoenicia Singleton, Crossroad Academy, who were all selected to represent their schools in the 2017 Tallahassee Youth Tour.

Blue Cheese – Walnut Green Beans

Ingredients

1 pound green beans, trimmed

¼ cup water

2 teaspoons extra-virgin olive oil

¼ teaspoon salt

¼ teaspoon freshly ground pepper

⅓ cup crumbled blue cheese

⅓ cup toasted chopped walnuts, (see Tip)

Bring green beans and water to a boil in a large skillet. Reduce heat

to a simmer. Cover and cook until the beans are just tender, 3 minutes. Uncover and continue cooking, stirring occasionally, until the water has evaporated, 3 to 4 minutes more.

Add oil, salt, and pepper to the pan and cook, stirring, 1 minute more. Transfer the beans to a large bowl and toss with blue cheese until well coated. Sprinkle each serving with walnuts.

Tip: To toast chopped or sliced nuts, constantly stir in a small dry skillet over medium-low heat until fragrant and lightly browned, 2 to 4 minutes.

Employee Spotlight

We would like to recognize and show our appreciation to Ms. Sharon Bentley for an incredible 50 years of service at the

Cooperative! Sharon was hired on January 16, 1967, as a Key Punch Operator and became Talquin's first female Operations Clerk/Dispatcher in 1971. She transitioned to part-time in 2007 but still covers a midnight to 8 am shift on the weekends and is always willing to pick up other shifts. Sharon is extremely active in her community and dedicates much of her free time to the Sycamore United Methodist Church and Sycamore Volunteer Fire Department. If you happen to cross paths with Sharon, please take a moment to congratulate her on this incredible milestone.
