## Democracy at Your Cooperative

Every co-op – whether it’s Talquin Electric, your credit union or a farm co-op – follows the basic principle of one Member, one vote. Most often you are asked to vote and elect individuals that will represent you on your Board of Trustees. These folks are your friends, neighbors and fellow residents in your community. Occasionally, you may be asked to vote on a policy, such as a bylaw change (this is like the constitution for your co-op).

Co-ops invite participation. In fact, it is critically important to the survival of the co-op. Cooperatives, such as Talquin, are not for profit organizations and serve far fewer people than investor owned utilities. Electric cooperatives measure the number of Members in the thousands and each one is very important to the entity. If you are not actively involved with the co-op, we all suffer. As the electric utility industry evolves, having interested Members who are willing to take an active role is especially important. At Talquin, we believe in the Own, Use, Serve and Belong model.

**Own** - Refers to each Member truly believing and feeling that they do indeed share in the ownership of the cooperative. This can come from attending the Annual Meeting and voting for your Board of Trustees, participating in a Member survey, receiving a capital credits check or participating in other co-op events.

**Use** - For electric co-ops this means that you use the co-op’s resources wisely (after all, you are an owner of those resources). You utilize the free, in depth energy audits that our Energy Services Specialists offer. You use energy-efficient appliances, weather strip windows and doors, use LED or CFL lights – and you turn them off when you leave the room. Share that one with the kids!

**Serve** - If we are successful with “own” and “use,” perhaps you will feel called to serve your co-op – maybe as a Board member, focus group participant, committee member or community contributor through the co-op.

**Belong** - We all seek to belong to something. In the early days when the co-op was just getting started, neighbors helped neighbors with things like barn raisings to helping each other when there were needs in the community. While our lives seem busier and more separate than ever, the need to connect and belong is critical for us and our communities to thrive.

There is great power in the human connection, and at Talquin Electric, we strive to connect every day with our Members by powering communities and empowering our Members to improve the quality of their lives. Your voice is very important to the cooperative’s future, so don’t miss the chance to come out and exercise your democratic privilege at our 75<sup>th</sup> Annual Meeting on April 25<sup>th</sup> at East Gadsden High School. It is the cooperative way!

Carrie Durden, Board President

Tracy Bensley, General Manager

Eighteen high school juniors from Gadsden, Leon, Liberty and Wakulla Counties were selected to participate in the Talquin Electric Youth Tour. Students were chosen from Talquin's Membership to participate in the Youth Tour based on academics, leadership, communication skills, and volunteer service in their schools and communities.

Four students and five alternates were also selected from this group of outstanding student leaders to represent Talquin at the NRECA National Youth Tour in Washington, D.C. this summer. The national delegates are Taylar Hall, Lincoln High School; Allison Beaty and Joseph Lavoie, Lawton Chiles High School; and Tanner Clemons, North Florida Christian. The alternates are Taylor Lawhon and Yesenia Reyes, Wakulla High School; Jacob Wynn, North Florida Christian; Ryan Harper, Liberty County High School; and Justin Walker, West Gadsden High School. These delegates will travel to Washington, D.C. in June where they will meet with approximately 1,500 students from all over the United States. They will visit historic landmarks and continue to learn about cooperatives and government during the tour.

Congratulations to each student who was chosen and participated in the competition. These future leaders are truly amazing and are all great representatives of their schools, Talquin and the state of Florida!
