The Talquin Electric Cooperative, Inc. and Talquin Water & Wastewater, Inc. Boards regularly schedule their workshops on the 1st Monday of each month and meetings on the 3rd Wednesday of each month at the Headquarters' Office in Quincy, FL at 6:30 PM. If necessary, an Executive Session may be held in conjunction with any regular meeting, special meeting, or workshop. Notice of any changes will be listed at <https://www.talquinelectric.com/about/board-meetings-workshops/>.

# Celebrating 80 years in the making!

When Talquin Electric was founded in 1940, the Cooperative was shaped by the Seven Cooperative Principles, which includes Democratic Member Control. Talquin is a democratic organization controlled by its Members, who actively participate in setting policies and making decisions for Talquin.

Carrie Durden  
Board President

Given that democratic control is a core principle of the cooperative structure, the democratic process embodied in the Annual Meeting of the Cooperative ensures that Talquin serves its Members' needs. Because each Member has only one vote, no Member can dominate the decision-making process.

Each year at the Annual Meeting, Talquin Members gather not only to learn about the state of the Cooperative but also to vote for their representation on Talquin's Board of Trustees. These Trustees are elected to be the voice of their district and are entrusted to make decisions for the Members that they represent.

Tracy Bensley  
General Manager

Talquin's Annual Meeting dates back to January 21, 1942, when Members of the Cooperative gathered at the Court House in Quincy for the first Annual Meeting. Although a temporary Board of Trustees was appointed in 1940, the initial Annual Meeting in 1942 marked the first time that the Members voted on their representation.

At this time, Talquin Electric served Gadsden, Leon, and Liberty Counties. To represent Gadsden County, Members elected T.B. Fletcher of Greensboro, M.W. Miller of Havana, C.A. McMillan of Chattahoochee, and J. Douglas Owens of Quincy. For Leon County, Arthur P. Ellis of Chaires, J.V. Herold of Miccosukee, and Parkhill Mays of Monticello were elected. Lastly, in Liberty County, Members elected J.A. Fillingim of Telogia and John W. Ritter of Hosford to represent them.

Every year since 1942, Talquin has held an Annual Meeting, and Members have voted on their Board representation. The Annual Meeting has only grown in attendance and community participation since then. Talquin's Annual Meeting now hosts a variety of community organizations to meet the needs of its Members better.

Join us at our 2020 Annual Meeting, which marks Talquin's 80th year providing the community with safe, reliable, affordable electric, water, and wastewater services. Just like Members did in 1942, you will vote for your Board representation and be updated on the state of the Co-op by Board President, Carrie Durden. The Trustees and employees of Talquin look forward to continuing this tradition with you!

# BOARD OF TRUSTEE CANDIDATES

*Per the by-laws of the Cooperative, each Member shall be entitled to only one vote per District – for a total of three votes. Joint Memberships are allowed only one vote, whether separately or jointly. Only persons who are Members of the Cooperative are allowed to vote. A spouse or family member cannot vote in the place of the Member.*

*The following candidates have been nominated to serve on the Board of Trustees and will be voted on:*

## **District Three (3) Joseph Alexander**

507 Deerwood Circle Quincy, Florida 32352

**(Incumbent)**

Mr. Alexander is the Trustee from District 3, central Gadsden County. Prior to his retirement, he served the State of Florida's Department of Children and Families as the Child Care Services Program Manager for the Northwest Region (a 16-county service area). Mr. Alexander is a Credentialed Director, holds a Board Leadership Certificate through NRECA, and is a graduate of Florida A & M University. Mr. Alexander currently serves as the Secretary/Treasurer of Talquin Electric's Board of Trustees and is a Florida Electric Cooperatives Association Director.

## **District Six (6) Doug Bruce**

P.O. Box 10855 Tallahassee, Florida 32302

**(Incumbent)**

Mr. Bruce is the Trustee from District 6, southeast Leon County. Mr. Bruce is a lifelong Leon County resident who resides in southeastern Leon County. He has been active in state government during his career and works as a governmental consultant. Mr. Bruce is a Credentialed Director through NRECA and a graduate of FSU. He also is an alternate on the Florida Electric Cooperatives Association Board.

## **District Nine (9) Sam Fenn**

3539 Lakeview Drive Tallahassee, Florida 32310

**(Incumbent)**

Mr. Fenn is the Trustee from District 9, southwest Leon County. Mr. Fenn is a graduate of Mercer University, School of Pharmacy, and is now retired after enjoying 50 years in pharmacy. Mr. Fenn is a Credentialed Director and holds a Board Leadership Certificate through NRECA. Mr. Fenn also serves on the Board of Trustees for Seminole Electric G&T.

## Florida Supreme Court Rules Against Misleading Energy Reregulation Constitutional Amendment

On January 9, the Florida Supreme Court issued a unanimous opinion barring the proposed constitutional amendment to reregulate Florida's energy industry from appearing on the ballot in November. It was the Supreme Court's responsibility to determine if the amendment met the legal requirements to appear on the 2020 ballot for Florida voters to consider, and the court's opinion proves that it did not.

As a co-op, our top priorities are to provide safe, reliable, and affordable electricity, and to protect the Members we serve. The proposed constitutional amendment would have had immediate and inescapable consequences on our Members, and that is why the Florida Electric Cooperatives Association (FECA), representing Talquin Electric, 14 other electric distribution cooperatives, and two generation and transmission cooperatives, opposed the amendment. FECA prepared and delivered arguments to the Supreme Court in opposition to this initiative.

Concerns about the proposed amendment were:

- The ballot summary was affirmatively misleading and did not tell the truth with regard to the impact on cooperatives.
- The proposed amendment would have eliminated many of the cooperatives' power supply agreements, which can affect access to electricity at affordable and predictable prices.
- The proposed amendment would have disrupted cooperatives' service areas.
- The proposed amendment would have impacted cooperatives' operations given the complexity of Florida's electric grid.

These concerns were detailed in briefs submitted to the Florida Supreme Court by FECA and in oral arguments presented before the justices on August 28.

Now that the Florida Supreme Court has issued its opinion, this proposed amendment will not appear on the ballot during the upcoming general election in November 2020.

We are proud of the safe, reliable, and affordable service we provide to Talquin's Members. At Talquin Electric, we put your interests above all else. We are proud to have supported the efforts to ensure this misleading initiative did not make it onto the ballot.

# Unclaimed Capital Credits

A portion of the Capital Credit refund checks mailed by Talquin in December, 2019, have been returned unclaimed. If your name is listed here, please contact the Cooperative to verify ownership and provide your current mailing address. If you believe you know the current address of someone listed here, the Cooperative would greatly appreciate you asking them to contact the Cooperative. If you recognize the name of a deceased family Member and wish to file a claim for the capital credits, please submit a certified death certificate at any of our Member Service Offices. For more information call 850-627-7651.

# Capital Credit Check Presentations

Talquin would like to take a moment to thank Gadsden, Leon, Liberty, and Wakulla County Schools. We are thankful for the role they play in students' daily lives and to be able to return patronage to the schools in which we serve.

Talquin operates under the Seven Cooperative Principles, which include Education, Training, and Information and Concern for Community. Through our work with Youth Tour and school outreach, we hope to have a continued, positive impact on the students in our four-county service territory.

Talquin employees with Leon County Superintendent of Schools Rocky Hanna and staff

Talquin employees with Gadsden County Superintendent of Schools Roger P. Milton and staff

Talquin employees with Liberty County Superintendent of Schools David H. Summers and Liberty County School Board members

Talquin employees with Wakulla County Superintendent of Schools Robert Pearce and staff

## Tree Line USA

The Arbor Day Foundation has named Talquin Electric Cooperative a 2020 Tree Line USA recipient for the fifth year in a row in honor of its commitment to proper tree pruning, planting, and care in the four-county service territory.

Talquin achieved Tree Line USA status by meeting five program standards. Utilities must follow industry standards for quality tree care, provide annual worker training in best tree care practices, sponsor a tree planting and public education program, maintain a tree-based energy conservation program, and participate in an Arbor Day celebration.

"Trees are a critical part of urban landscapes all across the United States," said Dan Lambe, president of the Arbor Day Foundation. "They provide important benefits to residents, including clean air, clean water and a tolerable climate. Service providers like Talquin Electric Cooperative demonstrate that it's possible for trees and utilities to co-exist for the benefit of communities and citizens."

Arbor Day is an annual observance celebrated on the last Friday in April that honors the role of trees in our lives and promotes tree planting and care, according to the Arbor Day Foundation.

Thank you and congratulations to our Vegetation Management team for all of their hard work and dedication!

**Have you had a positive experience with Talquin?  
Has a Talquin employee gone above and beyond?  
Do you have any questions or concerns?  
Let us know by leaving us a Google Review!**

On google.com, type "Talquin Electric" in the search bar. On the right side of your screen you will see the options "Ask a question", "Write a review", and "Add a photo". Select whichever is applicable to you. We look forward to hearing what you have to say. Your Co-op, your voice!

## Survey Winners

Thank you to everyone who participated in our recent Member Survey. We greatly appreciate hearing your opinions, comments, and feedback. We work to improve the quality of life of those we serve, and your voice assists us in learning about ways we can better serve Talquin Members. ## Earth Day

Although we should take care of the planet every day, Earth Day is the perfect time to integrate new, green practices into your daily life. Small changes can add up to a big impact!

- Replace inefficient incandescent light bulbs with efficient LEDs. Doing this can reduce your carbon footprint by 450 pounds a year!
- Carpool, ride your bike, use public transportation, or drive an electric or hybrid car. Reduce your carbon footprint by one pound for every mile you do not drive.
- Change your paper bills to online billing. You will be saving trees and the fuel it takes to deliver your bills by truck.
- Run your dishwasher only when it is full to save water and energy.
- Contact your utility company and find out about renewable energy options. Did you know Talquin offers complimentary energy audits to Members? Call (850) 627-7651 for more information.

## April is Safe Digging Month

Did you know you need to dial 8-1-1 before beginning simple household projects?

Call 8-1-1 before:

1. Installing a fence
2. Planting a tree or shrub
3. Building a deck or patio
4. Installing a mailbox

Digging without knowing the approximate location of underground utilities can result in damage to electric, water, sewer, gas, and communications lines, which can lead to service disruptions, serious injuries, and costly repairs. Know what is below. Call before you dig!

## Crock Pot Mississippi Pot Roast

*\*\*From: i heart eating*

**Prep time:** 5 minutes

**Cook time:** 8 hours

**Servings:** 10

### Ingredients:

3-5 pounds boneless chuck roast	1 teaspoon kosher salt
2 1/2 tablespoons dried minced onion	1/2 teaspoon black pepper
2 teaspoons dried parsley	1 teaspoon Better than Bouillon beef base
1 teaspoon onion powder	1/4 cup salted butter
1 teaspoon dried dill weed	1/2 cup juice from jar pepperoncini peppers
1 teaspoon garlic powder	4 pepperoncini peppers

1. Place the roast in the slow cooker.
2. In a small bowl, mix together the ingredients up to the butter. Sprinkle over roast.
3. Place butter on top of seasoning, and place the peppers and juice around the roast.
4. Cover, and cook on low for 8 hours.
5. Shred the beef, and either discard the peppers or serve them with the beef.

## Collard Greens as a Full Meal

*\*\*Submitted by: Shelly Kraai*

### Ingredients:

1 bunch of collard greens (de-stemmed)  
 1 tablespoon Worcestershire sauce  
 Smoked ham (cubed)  
 2 whole onions sliced  
 Handful of baby carrots  
 8 sticks of celery  
 6 cloves of garlic sliced (not smashed)

1. Place all ingredients in a crockpot.
2. Fill the crockpot with water or vegetable broth to right below the top.
3. Cook on high for 6 to 8 hours.

**Note:** You can mix this up by replacing with any vegetables in season and switching out the meat or leave the meat out to make Vegetarian.

## 2020 Legislative Cookout

On January 21, Talquin Electric and other electric co-ops from around the state gathered in Tallahassee for the 2020 Legislative Cookout. The annual event invites locally housed federal agencies, cabinet members, legislators, staff, and their families to sample a taste of what Rural Florida has to offer. The date is eagerly awaited by many each legislative session, as the cookout is known for its family atmosphere, fun, and conch fritters!

The following is a known list of who attended the cookout this year: the Under-Secretary for HUD; Deputy Secretaries and staff from the Florida Department of Agriculture and Consumer Services; Florida House Agriculture and Natural Resources Committee Staff; Senators Baxley, Montford and Simpson; Representatives Ausley, Bell, Brannan, Clemons, Donalds, Drake, Grant, Gregory, Maggard, McClain, Payne, Roth, Rodriguez, Shoaf, Stone, Watson, Webb; and many legislative staff.

Talquin Electric would like to thank all of its employees that helped make the event such a success. Everyone pitching in and getting the job done shows event attendees the true cooperative spirit.

## Talquin Electric Cooperative Receives Certificate of Safety Achievement

Each day, Talquin Electric's number one priority is safety. In a commitment to maintaining and improving the co-op's safety culture, Talquin Electric participates in the Rural Electric Safety Achievement Program (RESAP), created by the National Rural Electric Cooperative Association (NRECA). The RESAP program is a great example of one of the Seven Cooperative Principles that guide electric cooperatives – Cooperation Among Cooperatives. In the RESAP program, participating co-ops from around the state have volunteer "observers" that visit sister co-ops and complete an onsite observation that is submitted to the NRECA every three years.

This observation is in addition to safety checks that are already in place at the co-op and are performed regularly. The RESAP observation benefits all participating co-ops, as it shares best safety practices and provides individual co-ops with an outside perspective.

The safety of co-op employees, Members, and the community will always be a core value lived by all at Talquin Electric Cooperative.
