RATE SCHEDULE - SEWER
SPECIAL PROVISIONS

USAGE OVER 100,000 GALLONS PER MONTH:

The Cooperative may refuse sewer service to connections whose monthly usage exceeds 100,000 gallons per month when service to such an account would limit the ability of the Cooperative to fulfill its other service commitments. The Cooperative may also implement special rates that recognize demand when accounts using over 100,000 gallons per month are serviced. The Cooperative may refuse to accept for treatment or require pretreatment of any wastewater it deems potentially harmful to its collection and/or treatment facilities.

SERVICE CHARGES: (System Fee plus Connection Fee)

(Based on water meter size)	<u>SYSTEM FEE</u>	<u>CONNECTION FEE</u>
