A husband and wife or any two natural persons may apply for a joint membership and subject to their compliance with the requirements set forth in Section I of this Article, may be accepted for such membership. The term "member" as used in these By-laws shall be deemed to include a husband and wife or any two natural persons holding a joint membership and any provisions relating to the rights and liabilities of membership shall apply equally with respect to the holders of a joint membership. Without limiting the generality

of the foregoing, the effect of the hereinafter specified actions by or in respect to the holders of a joint membership shall be as follows:

- (a) The vote of either separately or both jointly shall constitute one joint vote;
- (b) A waiver of notice signed by either or both shall constitute a joint waiver;
- (c) Notice to either shall constitute notice to both;
- (d) Expulsion of either shall terminate the joint membership;
- (e) Withdrawal of either shall terminate the joint membership;
- (f) Either but not both may be elected or appointed as an officer or trustee, provided that both meet the qualifications for such office.

SECTION 4. CONVERSION OF MEMBERSHIP.

- (a) A membership may be converted to a joint membership upon the written request of the holder thereof and the agreement by such holder and the prospective joint member to comply with the articles of incorporation, By-laws and rules and regulations adopted by the Board of Trustees.
- (b) Upon the death of either person who is a party to the joint membership, such membership shall be held solely by the survivor.

SECTION 5. MEMBERSHIP FEES. The membership fee shall be five dollars, upon payment of which a member shall be eligible for one service connection.

SECTION 6. PURCHASE OF ELECTRIC ENERGY. Each member shall, as soon as electric energy shall be available, purchase from the Cooperative all electric energy used on the premises specified in the membership application, and shall pay therefor at rates which shall from time to time be fixed by the Board of Trustees. Each member shall pay to the Cooperative such minimum amount per month as shall be fixed by the Board of Trustees from time to time, regardless of the amount of electric energy consumed. Each member shall also pay all amounts owed to the Cooperative as and when the same shall become due and payable.

SECTION 7. TERMINATION OF MEMBERSHIP. Any member may withdraw from membership upon compliance with such uniform terms and conditions as the Board of Trustees may prescribe. The Board of Trustees of the Cooperative may, by the affirmative vote of not less than two-thirds of all the Trustees, expel any member who shall have refused or failed to comply with any of the provisions of the articles of incorporation, By-laws or rules or regulations adopted by the Board of Trustees, but only if such member shall have been given written notice by the Cooperative that such refusal or failure makes the member liable to expulsion and such refusal or failure shall have continued for at least ten days after such notice was given. Any expelled member may be reinstated by a majority vote of the Board of Trustees or by a majority vote of the members at any annual or special meeting. Upon the withdrawal, death, cessation of existence or expulsion of a member the membership of such member shall thereupon terminate. Termination of membership in any manner shall not release a member, the member's successors, assigns, or the member's estate from any debts due the Cooperative.

ARTICLE II

Rights and Liabilities of Members

SECTION 1. INTEREST OR DIVIDENDS ON CAPITAL PROHIBITED. The Cooperative shall at all times be operated on a cooperative non-profit basis for the mutual benefit of its patrons. No interest or dividends shall be paid or payable by the Cooperative on any capital furnished by its patrons.

SECTION 2. PATRONAGE CAPITAL IN CONNECTION WITH FURNISHING ELECTRIC ENERGY. In the furnishing of electric energy the Cooperative's operations shall be so conducted that all patrons, members and non-members alike, will through their patronage furnish capital for the Cooperative. In order to induce patronage and to assure that the Cooperative will

operate on a nonprofit basis the Cooperative is obligated to account on a patronage basis to all its patrons, members and non-members alike, for all amounts received and receivable from the furnishing of electric energy in excess of operating costs and expenses properly chargeable against the furnishing of electric energy. All such amounts in excess of operating costs and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by the patrons, members and non-members alike, as capital. The Cooperative is obligated to pay by credits to a capital account for each patron all such amounts in excess of operating costs and expenses. The books and records of the Cooperative shall be set up and kept in such a manner that at the end of each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron and the Cooperative shall within a reasonable time after the close of the fiscal year notify each patron of the amount of capital so credited to the member's account. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so and the patron had then furnished the Cooperative corresponding amounts for capital.

In the event of dissolution or liquidation of the Cooperative after all outstanding indebtedness of the Cooperative shall have been paid, outstanding capital credits shall be retired without priority on a pro rata basis before any payments are made on account of property rights of members. If, at any time prior to dissolution or liquidation, the Board of Trustees shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to patrons accounts may be retired in full or in part. Any such retirements of capital shall be made in order of priority according to the year in which the capital was furnished and credited, the capital first received by the Cooperative being first retired.

Capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instruction from the assignor and only to successors in occupancy in all or a part of such patron's premises served by the Cooperative unless the Board of Trustees, acting under policies of general application, shall determine otherwise. In the event that a non-member patron shall elect to become a member of the Cooperative the capital credited to the account of such non-member patron may be applied by the Cooperative toward the payment of a membership fee on behalf of such non-member patron.

Notwithstanding any other provisions of these By-laws, the Board of Trustees, at its discretion, shall have the power at any time upon the death of any patron, who was a natural person, if the legal representatives of the member's estate shall request in writing that the capital credited to any such patron be retired prior to the time such capital would otherwise be retired under the provisions of these By-laws, to retire capital credited to any such patron immediately upon such terms and conditions as the Board of Trustees, acting under policies of general application, and the legal representatives of such patron's estate shall agree upon; provided, however, that the financial condition of the Cooperative will not be impaired thereby.

The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the articles of incorporation and By-laws shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patrons are bound by such contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions. The provisions of this article of the By-laws shall be called to the attention of each patron of the Cooperative by posting in a conspicuous place in the Cooperative's office.

SECTION 3. ASSIGNMENT BY FAILURE TO PROVIDE ADDRESS. Notwithstanding any other By-law provisions, or provisions in the membership agreement, capital credits and capital credit payments, notice or delivery of which cannot be made for failure of a patron or former patron to claim the same in person, or to furnish an effective mailing address, for a period of two years after the Cooperative has mailed the same with sufficient postage to the last known address or after the Cooperative has in good faith attempted to deliver such notice or payment, shall be and constitutes an irrevocable contribution by the patron to the Cooperative, of such credit or payment remaining after the Cooperative's prior claim for charges due has been satisfied.

SECTION 4. PATRONAGE REFUNDS IN CONNECTION WITH FURNISHING OTHER SERVICES. In the event that the Cooperative should engage in the business of furnishing goods or services other than electric energy, all amounts received and receivable therefrom which are in excess of costs and expenses properly chargeable against the furnishing of such goods or services shall, insofar as permitted by law, be prorated annually on a patronage basis and returned to those patrons, members and non-members alike, from whom such amounts were obtained.

SECTION 5. COMMENCEMENT OF CAPITAL CREDITED TO THE ACCOUNTS OF EACH PATRON. Capital credited to the account of each patron shall be based upon the capital furnished by such patron since January 1, 1949.

SECTION 6. NON-LIABILITY FOR DEBTS OF THE COOPERATIVE. The private property of the members shall be exempt from execution or other liability for the debts of the Cooperative and no member shall be individually liable or responsible for any debts or liabilities of the Cooperative.

ARTICLE III

Meetings of Members

SECTION 1. ANNUAL MEETING. The Annual Meeting of the members shall be held once each calendar year at a time and place in the service area of the Cooperative as shall be selected by the Board of Trustees and designated in the notice of the meeting, for the purpose of electing Trustees, passing upon reports for fiscal year and transacting such other business as may come before the meeting.

SECTION 2. SPECIAL MEETINGS. Special Meetings of the members may be called by resolution of the Board of Trustees, or upon written request signed by any three (3) Trustees, by the president, or by ten per centum or more of all the members to be given as hereinafter provided. Special meetings of the members may be held at any place within the Service Area, specified in the notice of the special meeting.

SECTION 3. NOTICE OF MEMBERS' MEETINGS. Written or printed notice stating the place, day and hour of the meeting, and in case of a special meeting, a district meeting or an Annual Meeting at which business other than that listed in Section 6 of this article is to be transacted, the purposes for which the meeting is called, shall be delivered not less than ten days nor more than twenty-five days before the date of the meeting, either personally or by mail, by or at the direction of the Secretary, or upon a default in duty by the Secretary, by the persons calling the meeting, to each member. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at the member's address as it appears on the records of the Cooperative, with postage thereon prepaid. The failure of any member to receive notice of an annual or special meeting shall not invalidate any action which may be taken by the members at any such meeting.

SECTION 4. QUORUM. As long as the total number of members does not exceed five hundred, ten per centum of the total number of members present in person shall constitute a quorum. In case the total number of members shall exceed five hundred, fifty members or the per centum of the members established by Florida Statutes, which ever shall be the larger, shall constitute a quorum. If less than a quorum is present at any meeting, a majority of those present in person may adjourn the meeting from time to time without further notice, provided, that the Secretary shall notify any absent members of the time and place of such adjourned meeting.

SECTION 5. VOTING. Each member shall be entitled to only one vote. All questions shall be decided by a vote of a majority of the members voting thereon in person, except as otherwise provided by law, the articles of incorporation or these By-laws. No voting by mail or by proxy shall be permitted.

SECTION 6. ORDER OF BUSINESS. The order of business at the Annual Meeting of the members and, so far as possible, at all other meetings of the members, shall be essentially as follows:

- (1) Report as to the number of members present in order to determine the existence of a quorum.
- (2) Reading of the notice of the meeting and proof of the due publication or mailing thereof, or the waiver or waivers of notice of the meeting, as the case may be.
- (3) Reading of unapproved minutes of previous meetings of the members and the taking of necessary action thereon.
- (4) Presentation and consideration of reports of officers, trustees and committees.
- (5) Election of trustees.
- (6) Unfinished business.
- (7) New business.
- (8) Adjournment.

Notwithstanding the foregoing, the Board of Trustees or the members themselves may from time to time establish a different order of business for the purpose of assuring the earlier consideration of and action upon any item of business the transaction of which is necessary or desirable in advance of any other item of business; provided, that no business other than adjournment of the meeting to another time and place may be transacted until and unless the existence of a quorum is first established.

ARTICLE IV

Upon establishment of the fact that a Trustee is holding office in violation of any of the foregoing provisions, it shall immediately become incumbent upon the Board of Trustees to remove such Trustee from office.

Nothing contained in this section shall effect in any manner whatsoever the validity of any action taken at any meeting of the Board of Trustees.

As terms of office are staggered, trustees shall be elected for a term of office of three (3) years.

SECTION 3. NOMINATION AND ELECTION OF TRUSTEES.

SECTION 6. COMPENSATION. Trustees as such shall not receive any salary for their services, but by resolution of the Board of Trustees a fixed sum and expenses of attendance, if any, may be allowed for attendance at each meeting of the Board of Trustees and for the performance of other Cooperative business provided it has prior approval of the Board of Trustees. No Trustee shall receive compensation for serving the Cooperative in any other capacity, nor shall any close relative of a Trustee receive compensation for serving the Cooperative, unless the payment of compensation shall be specifically authorized by a vote of the members or the service by such Trustee or close relative shall have been certified by the Board of Trustees as an emergency measure.
