August 21, 2020

Dear Talquin Member:

Your Board of Trustees appreciates your continued cooperation and patience during this unprecedented year of challenges. Safety considerations related to the COVID-19 pandemic have necessitated major changes in the way this year's 80th Annual Meeting will be conducted. Talquin Electric Cooperative's By-Laws require Member participation at its Annual Meeting for the execution of the election of the Board of Trustees and consideration of proposed By-law changes. **We are asking you to please support your co-op with your attendance and participation in the drive-thru registration and voting process developed to meet these important mandates.**

In addition to the election of Trustees, this year's Annual Meeting will include voting on suggested revisions to our By-Laws. If adopted, these revisions will address problems associated with public gatherings during the pandemic, or other similar unanticipated circumstances. Your approval of the proposed changes will ensure that Members will be able to vote regardless of future challenges and will enable your co-op leaders to provide transparent leadership without interruption.

Participating Members can expect to receive bill credits for completed ballots, goody bags, a special Chick-Fil-A breakfast or lunch, and a chance to win door prizes.

Your participation as a Member voter is as important this year as it has always been. We appreciate your time and look forward to seeing you in the drive-thru at our Annual Meeting on September 26.

Stay Safe!

Handwritten signatures of the Board of Trustees members: Carla Bararo, Bob Mills, Doug Brown, [unclear], [unclear], Sam Fenn, [unclear], and D. Light.
